

FlaxSheen® Dog Conditioner

Based on Flaxseed Extracts
to Nourish and Shine

FlaxSheen® Dog Conditioner is a versatile conditioning product formulated with nature in mind. This convenient spray conditioner can be used to moisturize the skin and coat of any type of dog. FlaxSheen® Dog Conditioner is based on botanical ingredients and extracts and thus is not only able to offer the expected conditioning qualities but also bonus attributes such as natural insect repellent qualities to decrease bug bites, shine enhancement without the use of silicone ingredients, and irritation relief from minor abrasions, rashes, or hot spots. This product can also be used as a cleansing spray when bathing in not an option. FlaxSheen® Dog Conditioner has been shown to increase the shine as well as increase the softness of any dog's coat.

Contains:

Flaxseed Extract
Tea Tree Extract
Citronella Extract
Lavender Extract

Benefits of Choosing FlaxSheen® Dog Conditioner:

- Uniquely Canadian 
- Offers a natural alternative for traditional shine enhancers
