

FlaxSheen[®] Horse Shampoo

Based on Flaxseed Extracts
to Cleanse and Shine

FlaxSheen[®] Horse Shampoo provides a natural alternative to harsh cleaning products traditionally used on horses. This shampoo is a moisture-rich formula based on natural flax extracts with a synergistic blend of essential oils. FlaxSheen[®] dissolves buildup that can accumulate on coats, cleansing and revitalizing the hair follicles. This product has been formulated to soothe and moisturize which results in an incredibly soft coat and a healthy shine. FlaxSheen[®] Horse Shampoo also has an herbal aroma which has been shown to have a calming effect on anxious horses. This product is environmentally friendly, nourishing and gentle on horses and humans alike. Natunola Health Inc. provides a new generation of equine grooming products, "Endorsed by a Horse".

Testimonial:

*The **FlaxSheen[®] Shampoo** is wonderful! Beautiful aroma, good lather. It left their coats shiny and their manes and tails full and silky... wouldn't change a thing. I will use it over the one I have been using for the past year... just as good and smells better!"*
